SIR,

I have the honor to intimate that the old system of engaging Lawyers for individual cases and paying them fees corresponding to the value of the suits having been found too expensive, the Government in their order No 6504-5/Ml 401-12-6 dated the 22nd February 1916 sanctioned the appointment of a Standing Counsel for the Municipality on a monthly salary of Rs. 100 for a period of one year The system having worked fairly satisfactorily, Government sanctioned the continuance of the arrangement for another year in their order No 2053-4/Ml 105-15-2 dated the 10th September 1915 and the sanctioned period expired on the 30th June last

2. The Civil and Criminal work connected with the Municipality has greatly increased within the last two or three years Also, the more systematic manner in which leases, contracts, Mutchulikas &c, involved in the innumerable Municipal transactions are being drafted necessitates frequent consultations with the legal adviser of the Municipality and constant demand upon his time and skill The marginally

Submitting for Sanction the
proposal of the Municipal
Council in the matter of
appointing a Law Agent on
a Salary of Rs 150/- a month
to Conduct all Civil and
Criminal Cases by and against
Municipality

marginally noted statement shews the total number of Civil suits and Criminal cases conducted by the Municipality during the year 1915-16 and the number of either class of cases conducted by the Municipal Advocate It will be evident that in contested Civil suits and very important Criminal cases only were the services of the Municipal Advocate called into requisition - the officers of the several Municipal Departments making their own arrangement for the conduct of the remaining cases

Statement shewing the number of Cases conducted during the year 1915-16	By the Municipality	By the Municipal Advocate
Civil	49	22
Criminal	961 Exclusive of 4598 nuisance cases	10

3 This arrangement has the serious draw-back of Executive Officers of the Municipality devoting a great part of their time to work for which they have received no particular training, while their legitimate work whether collection, detection or sanitation is bound to suffer to a proportionate extent. The Efficiency Audit Officer has also made the same observation in his report

4 The Municipal Council appreciated that a salary of Rs 100/- a month is too low for all this work and at their meeting held on 8th August 1916 proposed to raise it to Rs. 150/- and to appoint a Law Officer to relieve the executive of Court Work both Civil and Criminal A summary of discussion in the Municipal Council and copy of resolution is herewith submitted for the information and early orders of Government

5 A considerable proportion of criminal work consists of nuisance cases and other equally petty items In the event of the large number of Criminal cases coming in the way of lawyers of some standing taking up the appointment, some slight modification of the conditions will be made Meanwhile, I beg that Government may be pleased to sanction the proposal tentatively for a period of one year

I have the honor to be,
Sir,
Your most obedient servant,

Honorary President
